

*MSP ideal for removing smoke odors
in hotel rooms*

Ecolo Air Mist System Model **MSP** provides a rugged portable solution to eliminate unwanted odors.

The **MSP-ST** has a convenient spring timer to set treatment times up to 15 minutes. An interval timer provides flexible programming for the **MSP-CT**.

The remote nozzle is mounted on a 1L, 2L or 4L container to orient misting as required.

*MSP-CT shown above with
detachable bottle holder.*

16.5 cm/6.5"x31.8 cm/12.5"x27.9 cm/11"; 8.1 kg/17.8 lb; 110 or 220 volts.

- Use the **MSP** with AirSolution #37 to eliminate cigar/cigarette smoke odors from hotel rooms or vehicles in minutes.
- Deodorize rental or "for sale" properties with AirSolution #72.
- Eliminate fish and cooking odors with AirSolution #42.
- Treat locker rooms and nursing homes with AirSolution #71.
- A valuable tool for restoration projects.

Enquire about other Ecolo systems that can provide 24/7 treatment.
